On August 16, 2017, the Millennium Challenge Corporation (“MCC”) notified the Congress of its intent to sign a Millennium Challenge Compact (“Compact”) with the Government of Nepal. In that notification, MCC advised that to accelerate implementation of the Compact, MCC intends to obligate up to \$40,500,000 as Compact Development Funding under section 609(g) of the Millennium Challenge Act of 2003, as amended, using fiscal year 2010 funds when the Compact is signed by the parties.
