On August 16, 2017, the Millennium Challenge Corporation (“MCC”) notified the Congress of its intent to sign a Millennium Challenge Compact (“Compact”) with the Government of Nepal. On August 25, 2017, MCC further notified the Congress of the intent to obligate up to \$40.5 million (“Compact Development Funding”) of the overall grant under section 609(g) of the Millennium Challenge Act of 2003 (the “Act”), using fiscal year 2016 funds (in lieu of fiscal year 2010 funds), upon signature of the Compact by the parties.

Now MCC notifies the Congress of a change in the fiscal years of funding intended to be used under section 605 of the Act to obligate up to \$459.5 million when the Compact enters into force. After the Compact enters into force, Compact Development Funding that is not needed to accelerate implementation of the Compact may be deobligated, and up to an equivalent amount of funding may be obligated under section 605 of the Act.
